## **C. TOPICS DISCUSSED ON THE SEMINAR.**

The following are the highlights of the discussed topics and their speakers:

- ❖ **Creative skills:** “It does not matter how much you work hard, hard work is a key but in order to brand your work you have to be creative. Be you and unique specialize in your talent and people will be impressed from it.” Said Osse Greca Sinare, a content creator and successful photographer from Tanzania.
- ❖ **Forex Trading:** “The best way to get money is online, whereby through Forex trading, the money you get is safe, easy and legal”. Said Joshua Mkenda (Jo!\_Forex), the managing director of FX Raiders. He added that the 5 things needed in trading forex are: Meta trader 4, Broker, means of withdraw and deposit, risk management and discipline.
- ❖ **Career guidance:** "The most important thing you should have is focus on what you love and want to do, in career guidance you must be sensitive in first knowing what you love and not what your parents, relatives and other people out there press you to do." Said Abdumalick Mollel, the managing director of Global education Link.
- ❖ **Inspirational talks:** “When I was in University I had a lavish lifestyle that made my parents to stop giving me money, that enforced me to think how to make my own money, I want to encourage you that it is even possible for you, just have courage on that my fellow youth." Said Farida Liheye, a business woman and alliance products ambassador.
- ❖ **Motivational testimony:** “Am a young lady, but I believed that if you are committed in pursuing your dreams you will one day achieve, am now 18years old but already a manager of a company. I am trading forex and I encourage you my fellow youths also to learn about forex”. Said Juliana Msoma, the manager of FX Raiders.

- ❖ **Personal development.** “I believe in personal development, it may take a long time to create a life style that can develop your inner man, but you have to set a time for this unless success to you will become a story”. Taught Emmanuel Werema, an inspirational speaker

- ❖ **Guest of honor:** Dr. Nelsen Amar, the guest of honor of our event provided a literary and creative speech concerning today’s education system. He added that Youths should be focused and knowing their dream, education is very important but it should be upgraded so that it can go according to today’s youth needs. Concluded the director of Erastus Schools.
